

PROHLÁŠENÍ AUTORŮ: Prohlášení o původnosti: Práce je původní a nebyla publikována ani není zaslána k recenznímu řízení do jiného média. **Střet zájmů:** Autoři prohlašují, že nemají střet zájmů v souvislosti s tématem práce. **Podíl autorů:** GH a MD navrhli design studie, GH a MD provedli sběr dat, GH analyzovala data a vytvořila většinu rukopisu. GH, MD editovali finální rukopis. Všichni autoři rukopis četli, souhlasí s jeho zněním a zasláním do redakce časopisu Anesteziologie a intenzivní medicína. **Financování:** Podpořeno projektem Ministerstva zdravotnictví koncepčního rozvoje výzkumné organizace 00064203 FN MOTOL. **Projednání etickou komisí:** Nebylo požádáno vzhledem k dotazníkovému charakteru studie.
